

# Meeting Agenda

## Details:-

Date: 25/02/2019

Time: 13:45 - 17:45

Meeting Leader: Omar Said

Note taker: Simran Karnani

## Matters to discuss:-

- What did we do wrong last week?
- What can be done better?
- What is our plan for the upcoming sprint?
- What are our priority features for the product backlog?
- How are we dividing the work?

**What should be established by the end of this week?**

**Database connection**

**Working on GUI**

**Web third party API**
